Eyre Aerial

Opening: **Saturday afternoon, 8 September 3pm – 6pm**

Exhibition Dates: **4 September – 15 September 2018**

This exhibition is of a two day journey over lake Eyre and surrounds during 2011.

This journey was one of wonder and inspired me to paint some 30 works in varying sizes, pertaining to this dynamic and unique landscape with all its diversity and wonder.

It was crucial to be, like a soaring bird, observing and recording all that surrounded me.

The small aeroplane would dive and climb to reveal the many shapes, textures and colours.

The journey has presented me with refined structural elements as well as uninhibited mark making.

Also, for me there is always the sense of sound in works created.

In this case the sounds are encapsulated in the composition of the paintings and layers of paint applied.
