

Geoffrey Schmidt

HEAD

Opening Event
Saturday afternoon, 11 May 3pm – 6pm

Exhibition Dates
7 May – 18 May 2019

Over the past 30 years I have been diagnosed with Major Depression, Anxiety, Panic Attacks, Personality Disorder and Bipolar, living on cocktails of medication and side effects, psychoanalysis and other therapy.

These images depict in portrait style extreme emotional states, each image like a mirror, it's glossy surface reflecting the viewer in the multi-layered image. - *Geoffrey Schmidt*
