***on Friday 6th August***

***6th August ~ 18th September 2010***

Tiwi culture possesses its own aesthetic dynamic and is currently exploring a sense of revival, focusing on new art inspired by old patterns and traditions. This exhibition showcases new works by current Tiwi Design artists across a broad range of media including painting, sculpture, carvings and textile design. The opening night will feature a traditional 'Shark' dance by Gordon Pupangamirri and Vivian Douglas Walapini Kerinauia.
