Artists of Ampilatwatja

Opening

Friday 26 July 6:30pm ~ 9:30pm

Exhibition dates

23 July ~ 24 August 2013

Artists of Ampilatwatja are an ever-growing dynamic corporation of currently over 70 artists in a small remote community 330 kilometres North East of Alice Springs.

The Ampilatwatja style is distinctive and recognized by the fine dot work and bright landscapes.

The community of Ampilatwatja made a conscious decision not to paint their 'altyerr' dreaming stories, instead they paint their country where those stories belong.

The opening will be attended by artist Colleen Morton, her partner Michael Price, and art centre coordinator Caroline Hunter.
