Mirdidingkingathi Juwarnda

&

Thunduyingathi Bijarrb

(May Moodoonuthi)

Mirdidingkingathi Juwarnda & Thunduyingathi Bijarrb grew up together, hunted and fished together, have weaved and these days in their senior years, paint together. Since the Bentinck Project in April 2006, the Kaiadilt artists of Bentinck Island have continued to expand the lengths and straits of their country through the exhibition of their work.

Fuelled with a direct and uncompromising approach to painting, artists Sally Gabori and May Moodoonuthi gained national recognition in 2007. Along with their kin they have added an important chapter to the expanding dialogue of the Australian indigenous art movement.

The directors of Woolloomgabby Art Gallery hope you can attend our penultimate show of 2007.
