Alison Napurrula Multa

Keturah Nangala Zimran

Joseph Tjangala Zimran

Evelyn Nungarrayi Jugadai

Benisa Napurrula Marks

Virginia Ngalaia

Narputta Nangala Jugadai

Marinka Nangala Marshall

Cradled between two desert mountain ranges, the Haasts Bluff region offers Ikuntji painters a constantly changing vista that moves through the colour spectrum with the passing of the seasons. In essence, these new and vibrant paintings communicate the here and now of Ikuntji art. The combination of their rich cultural heritage and their highly developed sense of aesthetics has functioned to produce art work that stands strongly within the context of international contemporary art.
