

Best of Ian Smith Works on Paper

Opening

Saturday afternoon, 5 May 3pm – 6pm

Exhibition Dates

1 May – 26 May 2018

An exhibition of more than 60 works on paper from 5 decades of Ian Smith's work in Australia and overseas. Examples from many themes and issues perceived through visual art. They explore wide territory and do what drawings should do, while not encumbered with the portentous demands of a major work.
