BIG PAINTINGS small paintings

Opening event: Saturday afternoon, 6 July 3pm – 6pm

Exhibition dates: 6 July – 27 July 2019

This exhibition brings together big and small paintings. The big ones aren't big beside the Sistine Chapel. They aren't even *my* biggest works, but are big enough to bring up, along with the small ones, the eternal question of scale. Scale is not only a physical fact. Good painting can create a fictional illusion of scale, through composition, treatment and even the manner and size of brushmarks across the larger forms. ~ Ian Smith
