The “Min Min” light is millenniums old, steeped in Aboriginal law and more contemporarily in western imagination. In Des Rolph’s 2005 exhibition at Ascot Art Gallery, the “Min Min” light first began to glow, and has continued to glimmer and glitter, intermittently, in her current exhibition.

Des Rolph is a competent, dedicated and committed artist whose spirituality and insight is wonderfully evident in the diversity and variation in this current suite of new works.
