Opening

5 April 6.30pm - 9.30pm

Exhibition Dates

2 April ~ 11 May 2013

Most of these images are aesthetic imitations of the landscape. Places created for the artist and the viewer to roam through as one would do at an amusement park or country fair. This may seem a rather primitive concept, but also remains a pleasure for the viewer to participate in the landscape as a stimulation for the imagination.
